## Enid members honored at Moose International Conention

LINDA FRANKLIN

The Moose International Convention convened in June at the Grand Sierra Casino and Resort in Reno, Nevada.

Throughout the excitement came the announcement of Enid Moose Lodge's Linda Franklin's appointment to the Women of the Moose Higher Degree Board.

Linda Franklin has been a member of the Moose since 2004.

In 2008, she earned the first degree of the Women of the Moose - the Academy of Friendship degree.

She went on to serve her Chapter as Senior Regent and earned the College of Regents Degree in 2010, and as Recorder and earned the Star degree in 2012.

In 2015-2016, Franklin became Deputy

NORMAN SCOTT

Grand Regent over the Women of the Moose in the Oklahoma Southern Kansas Moose Association.

Enid's Lodge President, Norman Scott, was conferred with the Fellowship Degree of Honor.

Norm joined Enid Lodge in December 2016 and he hit the ground running.

He has served as Trustee, Treasurer, Vice President and President.

In addition to serving as President, he serves as co-chairman of the Association Sports Committee.

Scott has worked hard to earn the Fellowship degree, and Enid Lodge is proud of him! Well deserved Norm!!!

Both Franklin and Scott are members of the 25 Club.

# “There is NO TIME LIKE the present.”

SAYS EVERY VOLUNTEER

### NORMAN SCOTT LODGE PRESIDENT

Let me start out by saying THANK YOU. If it wasn't for all of you, we wouldn't be a lodge.

In my short time as a Moose Member and traveling around the country and visiting other Moose Lodges, even the ones in our own Association (OSKMA) I have seen and heard of some "Lodges" being nothing more than a hole in the wall. I am proud of "OUR" Lodge and what we have.

To keep what we have, we all need to help support it. Now, this doesn't mean financially.

It means when we need help accomplishing things around the Lodge, any little help does help.

The Board of Officers does a lot that some of you don't even know about, and lately we have had quite a few more members step

up and help.

To those, I give you a huge THANK YOU.

In the upcoming months, we have some projects that will really need volunteers to come out and help.

We think these projects will help improve the look and function of the lodge and entice the community to use the Lodge.

Hopefully this will encourage them to become an active member in the Lodge, and not just a number on the books.

In short, if you can help, don't be shy.

Come on out and lend a hand. I want to see our lodge grow and grow.

Don't ever question the value of volunteers.

Noah's Ark was built by a volunteer, the Titanic was built by professionals.

The saying "worth its weight in gold" was about a volunteer!

I am  
proud of  
"OUR" Lodge  
and what  
we have.

### Profanity Policy

We ask that you remember we are a Family Fraternity, not a bar. We have a No Tolerance Policy for Profanity and Foul Language.

If you are unable to control your language, you may be asked to leave and/or be called before the Board of Officers for disciplinary actions.

### New Member Promotion

Now is the ideal time to sign up your friends.

First year dues \$40.00 plus no application fee. Now is the time to sign new members!

This New Member Promotion is effective immediately.

# Mooseheart 2023 Graduates

Fourteen Mooseheart High School seniors, "our kids," received their diploma's on June 3, 2023. All of them received a scholarship and will be attending college or trade school this fall. We want to congratulate them and wish them all the best in their future endeavors.

#### JULIE SCHROEDER SENIOR REGENT

Hello ladies. Welcome to another month. I want to thank everyone who's been helping with baking, cooking, and anything we need help with.

We are still seriously needing people to step up and assist with our concessions at Bingo. The same six or seven ladies have been going all the work.

So please get in touch with us if you can

help. We're very short-handed with all bingo positions.

We've been working on decorating the dining room so please take a look and let us know what you think. The next activity we're looking at will be Wine & Design, possibly in August.

Not too much else going on due to the International Convention in Reno. After that, we will get started on some new projects.
