### Enid WOTM Chapter 1587

# *Great time to plan for the future*

**JULIE SCHROEDER SENIOR REGENT**

Hello ladies. Hope everyone is staying cool. Not a whole lot is going on yet.

We are looking for new ideas for fundraisers and help with Monday concessions at Bingo.

Ladies, the concession is one of the fundraisers we do to bring money into our chapter.

This money helps us support the main things we stand for, Mooseheart and Moosehaven.

The ladies that work the concession are getting wore out. The more help we get, the ones doing it can take a break. You wouldn't work every Monday so please volunteer!

Please keep in mind also that members are always encouraged to help serve and help with cleaning up after meals.

The Thursday night chicken meal is our night. If you could please help with serving or cleaning up, it would be greatly appreciated.

Help would be appreciated after any meal. Thank you to all those who do help. We appreciate you so much.

The next thing coming up is the Convention in New Orleans. Several of us will be going and bring back news of any changes taking place with Moose International.

Next month the ladies will be in charge again of providing the meal on the Friday night that our meeting is held.

If anyone has any new ideas of what we can serve, please feel free to share.

Again, as Sr. Regent, I appreciate all of you.

# Time for *Change*

**BEN FRANKLIN** ADMINISTRATOR

Changes! I know a lot of us don't like changes and some of us accept changes as they come.

Well, I have good changes and I have bad changes. Let's start with the bad news.

We recently had a visit from our Territorial Manager, Jimmie Woods.

He did what is called the "Annual Lodge Survey." He found everything to be in order except for one thing.

The Moose guidelines recommend that the cost of goods sold be 30% of what we are selling them for.

Our Liquor and Soda prices are fine, but our beer is not.

With the wholesale cost of beer going up, we will have to increase the price of bottled beer.

You're probably asking why 30%? Well, the other 70% goes to maintaining the building, keeping the lights on, and paying the Bartenders.

So, I apologize now, but you may see an increase in the price of beer soon.

Now, for what some will consider good news.

Our Thursday Night Meal prices will be changing.

The first Thursday is traditionally Hamburgers and Fries.

We are going to alternate between Hamburgers and Fries one month and Open-Face Burgers the next month. The price will be \$6.00 a person.

The second Tuesday will be either Tacos or Baked Potato bar. That will cost \$6.00 a person.

The third Thursday will continue to be Pot-

luck and will remain free to those who bring food to share and \$9.00 for those who don't.

The fourth Thursday will continue to be Fried Chicken (this is the WOTM's Thursday Meal, and all proceeds go to the Women of the Moose.

Due to the increased cost of chicken, the price for this will be \$10.00. That will be for 2 pieces of chicken, mashed potatoes, gravy and salad.

If there is a fifth Thursday in the month, we will serve something different such as meatloaf, chicken alfredo, etc. and the price will vary (we will try and publish the prices in the calendar.

**We recently had a visit from our Territorial Manager, Jimmie Woods.**

**He did what is called the "Annual Lodge Survey."**

**He found everything to be in order except for one thing.**

These will no longer be "all you can eat" (when you go through the line two burgers, a double burger, a plate full of tacos are fine but if you want to come back through the line, it will be an extra charge).

If you have a suggestion on a meal different than what we serve on Thursday nights, let us know... especially if you could fix it and serve it.

The money we make off the Thursday Night Meals goes to pay our insurance and is not used to buy niceties for the lodge.

Our building insurance policy expires in August, and we were notified they will be happy to renew our policy for an increase of \$70.00 a month.

It isn't that bad but is an extra 10 meals we need to serve each Thursday.

I hate to be the bearer of bad news, but someone has to do it.

***Remember to do some good thing for someone each day.***

# Go thank a

**NORMAN SCOTT** PRESIDENT

We recently had a day of cleaning up the East parking lot, knocking down the grass and weeds in the cracks and making it look more appealing to the public eye.

I want to give a huge shout out of thanks to the ones that came out to help: Jenny, Norman B, Skip, Don, Rick and Pam E.

Every little bit counts in keeping the lodge up, running and looking good.

We not only need volunteers for this kind of work, but we also need others to help in other ways.

If you want to help, (the Moose way) please feel free and ask how you can help.

You may not know all the ones that work hard behind the scene when you come to the Moose to eat or enjoy a dance or even put together the information for you to read in these Newsletters.

They all take time out of their own day, day after day, to provide you with the quality of Moose Volunteerism we all love and can do.

## *Have you thanked a Volunteer lately?*

As a Moose member, we all have Responsibility's regarding the one's we bring into the Lodge as a friend or potential new member, mainly into the Social Quarters.

We are a family fraternity, and we might have little ones in the Social Quarters. We need our guests to be on their best behavior and conduct themselves in such a way.

As a Moose member, we are responsible for them from the time they enter the building till the time they leave, or until the time they become a member of the Lodge. This is all laid out in the bylaws.

We can all view the Moose App on your mobile device. If you have any questions, feel free to ask me and I'll gladly help you out. My contact number again is 580-747-5250

Finally, I've had complaints that all my jokes are in English. So here is one in Spanish. "Uno!"
