We've got to take the bad with the good

NORMAN SCOTT PRESIDENT

Over the last few months, we had some great opportunities come forth for the Moose and some not so friendly outcomes from those opportunities.

Supporting the OK Flying Aces was an opportunity for us to get our Moose mission out even further into our community.

They had some money issues that cut their season short, and we couldn't start our mission with them. We were really looking forward to having some fun with them.

We wish them well in their future endeavors and to the players for success.

On a brighter note, our word is getting out

there into the community, our membership is up, and I would like to thank each and every one of you for your hard work in supporting the lodge and bringing in new members.

This new year we need to keep our member retention going, keeping the members we have, and keep the new ones coming back.

One way for us to get our Moose name and our purpose of doing what we do is to get out and EMBRACE OUR COMMUNITY.

This isn't just the new Moose year moto, it's something we can all get behind.

Thank You

For all that you do

BEN FRANKLIN ADMINISTRATOR

Back in my younger days I had been out carousing all night, so I decided it might be best to go to confession before going home to Linda.

It had been many years since my last confession, so I was a bit surprised when I stepped into the confessional.

On one wall was a fully stocked bar with Guinness on tap. A dazzling array of the finest cigars and chocolates was on the other wall.

The priest come in on the other side and I said, "Father, forgive me, for it's been a very long time since I've been to confession, but I must admit that the confessional box is much

more inviting than it used to be.

The priest responded, "Get out! You're on my side."

Just last month we celebrated our Lodges 70th birthday.

We had a birthday party and I want to send out a special thanks to those who were there to help us celebrate.

I especially want to thank those who helped put the party together, Don and Norman for preparing the food and cleaning up after-

wards, Linda for the birthday cake, Holly for rounding up all the older pictures that we had at the lodge and her and Ashlyn for helping get them scanned, Norm and Kristina for the decorations.

I also want to thank Kristina for all of the new pictures she has taken in the lodge.

With these pictures I was able to put together a pretty good slide show which was fun to watch and try to name some of the past members.

I especially want to thank Johnny Wickert, Bob Goodwin, and Connie Robinson for getting up and talking about their past memories of the Lodge.

It was a fun evening; and if you weren't there, you really missed out on a good time.

As most of you know, we met our numbers to qualify for the Premier Lodge Award.

This will be 10 out of the last 11 years that we have been awarded the Premier Lodge Award.

This is all because you and all you do for our Lodge.

This year, seven of the eight Lodges in the Oklahoma Southern Kansas Moose Association made their numbers to receive the Premier Lodge Award.

Last year, only two received it and the prior year we were the only one.

This was quite an accomplishment. Thank you for all you do.

COMMUNITY, page 1

As we are out and about town, we sometimes overhear things about folks falling on hard times.

With social media being a big part of our lives as well, we often read posts of folks needing help.

These folks are our community, whether its cleaning up after a disaster, or helping someone mow a yard, or haul off some trash.

So, if you hear or read anything that you think the Moose member can get behind to help those in our community, please let us know. We have the best members in the Moose, and we can get it done.

So let us support one of the Moose's cornerstones and let's Embrace Our Community.

What do you call a sketchy Italian neighborhood? The spaghetti (I'm part Italian and I love this, lol)
