Opportunities abound as we prepare for the new Moose year

Well, it looks like we have made it through another year. It hasn't been an easy one, but yet here we are.

This time one year ago I was preparing to design and put together your newsletter for the first time.

I hope you agree that the information contained in The Guide was both informative and inspirational.

I had a vision of what it would look like and a dream of the story it would tell both new and old members about our great Moose fraternity.

Afterall, this is YOUR newsletter.

With that said I would like to know if there are news, stories, or special features you would like to see as we move to the new Moose year.

There is so much to say about the great things you do for the Moose fraternity, and The Guide is a great way to share that information with others.

Although I am a member of Woodward Moose Lodge 452 and Chapter 2121, I don't live in the area and so I have to rely on

members of Woodward Moose Lodge to share with me those stories.

For me, it is kind of two-fold.

First, I get to learn more about all of you,

where you are from, why the Moose is important to you, and how you help support those in our care.

And second, it gives me the opportunity to tell your story to others.

Why is this important?

Telling your story helps others understand why we do the things we do, who we do it for, and serves as inspiration that others can emulate in their own lives.

Growing our membership for the right reason is equally, if not more-so, as important.

So please, if you know of a Lodge member who goes above and beyond, one that has a great story to tell, or you have some-

thing you would like to learn and read more about, let me know.

I would love to learn more about what makes Woodward Moose Lodge special.

You can call or email me with the details or your story idea anytime.

Chapter year comes to a close

We could not have done it with you

Wow! I can't believe another Chapter year is almost gone.

I would like to thank the Chapter Board of Officers and Chairmen for everything they have done this year. We couldn't do what we do without each other.

I would also like to thank Pam Pierce for being in charge of the Monday Night meals and making sure they were covered. I couldn't have done it without you.

We will be starting a new Chapter year on May 1. With that said, we will have open Chairman positions.

If you are interested in holding a chair, please see Tina Howard or a Board of Officer and let them know.

Please remember that our Chapter nights are on the second and fourth Monday of each month at 7:30 p.m. We would love to see you there!

Here are a few dates to remember:
