MOOSE LODGE 452
CHAPTER 2121

JUNE 2022
WOODWARD, OKLAHOMA

There is always something to do at Woodward Moose Lodge

CAROL HARRIS

Wow, it's June already and what a busy month it's going to be.

From graduation and pilgrim robing at Mooseheart to the international convention at the end of the month, it's going to be a busy month for everyone.

Lodge meetings are the first and third Mondays of each month and Chapter meetings are the second Monday of each month.

Please make sure you're watching your calendars for special food events and activities at the lodge.

For the chapter, June is Academy of friendship month. This is a special time to celebrate those sisters in Woodward Chapter 2121 who have received or have recently qualified for their Academy of

Friendship degree.

Please join us at the Chapter meeting on the second Monday and help celebrate the first degree of the Women of the Moose with Academy of Friendship night.

Progress that is as refreshing as a juicy Florida watermelon

KIMBERLY KELLY

Isn't it a great day to be Moose?

I read in the Moose magazine that our membership numbers reached new gains. That means each one of us are one of 852,356 members of this great fraternity.

There were a lot of hard decisions made over the last few years to get us to where we are today.

And while we still have a long way to go, the changes that have been made have made a positive impact on who we are as an organization, and where we are heading into the future.

First it was making all Lodge homes non-smoking. Then it was opening the membership up to women.

Both were major changes that positively impacted the fraternity and brought a new level of mindset throughout. You can see the progress in every facet of the Moose.

One of the biggest areas of improvement, in my opinion, has been the decision to market the Moose in a way that showcases who we really are versus who our communities think we are.

The drive to reach a younger audience has been refreshing as well. And what better way than to sponsor our own Moose member Ross Chastain.

At 29, Chastain competes on a national level in NASCAR, has already secured his spot in the championship playoffs, and has brought the Moose fraternity in front of a national audience that averages 42 years of age according to Performance Research.

Hopefully Chastain can make a championship happen at the end of the season, further the Moose message, and smash the membership numbers to a new high.

Summer activities and other Lodge events

NICK SHROUT

Well it is officially June.

We start our month out with the Classic Bowl dinner on Friday June 3 at 6:30 p.m.

All the activities are still going on with pool on Tuesdays, darts on Wednesdays, and cards on Thursdays.

If you haven't seen our Facebook page, we are looking for volunteers to help with in the kitchen even if it is only an hour. It is greatly appreciated. Ask any of our board members for information.

Wednesday nights we are doing a

meal for the dart players and Friday we cook for the golfers.

We also have plans for other meals through out the year including the summer.

Lodge meetings are on the first and third Mondays at 8:00 p.m. Chapter meetings on the second Monday at 8:00 p.m.

The Moose International Convention will be the end of the month and into July.

If there is anything you want to see from your lodge please let me or any board member know.

CHAPTER, from page 1

If you watch your calendar and Facebook you will find out that we're doing some impromptu food nights at the lodge.

During the summer dart league we are cooking on Wednesday nights, for the golfers on Friday nights, and that's on top of our other activities that we have planned and are shown on the calendar.

Please come join us and enjoy some good food while helping to support your Woodward Moose Lodge and Chapter.

The Chapter still needs two chairman,

Fraternal Activities and Membership Retention.

If you are interested in either of these positions please let a member of the Chapter Board of Officers know.

The Chapter finished the 2021-2022 Moose year with a gaining membership. This should pave the way for the Chapter to receive the Award of Achievement.

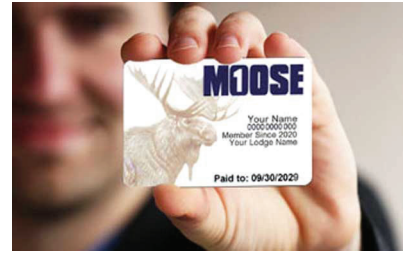

Come to our meetings and celebrate our accomplishments with us.

Until next month, enjoy the warm weather and take care of yourselves and each other.
