Smoin' Bar-B-Q Competition

This year our annual BBQ competition has been moved from October to June 15th and 16th. Another change this year is on Friday night for chef's choice we will be serving ribs, sausage and maybe a surprise or two, starting at 6 PM. Attendees will be able to sample the ribs and sausage prepared by various cooks for a donation. A DJ will be providing Music that evening.

We will be holding the triple raffle once again this year the prizes are being finalized now and tickets will be

available at the Lodge. Tickets will be \$5 each or 5 for \$20.

Entry forms for cookoff participants are available at the Lodge, with the competition rules.

Remember this event is open to the public this includes Friday night and the Smokin Bar-B-Q Competition itself. So invite your friends to participate and join for the food and fun.

Youth Awareness Results

Each year, local Moose Lodge representatives ask high school officials across North America to recommend two high school students to State/Provincial Association Youth Awareness Congresses, which are held in October and November each year.

Students are selected based on academic achievement and leadership qualities. Those who attend an Association Youth Awareness

Congress are asked to create a Moose KidsTalks presentation by selecting a topic and developing a presentation around that topic. They are then asked to find opportunities, with the assistance of their sponsoring Moose Lodges and/or Women of the Moose Chapters, to speak to groups of 4 to 9 year-old children. There are numerous sources for potential audiences: scouting units, elementary schools, day care centers, Sunday School classes, Boys' and Girls' Clubs and YMCA youth programs just to name a few. Each student is asked to present a minimum of three (3) Moose KidsTalks between the end of the Association Youth Awareness

Congress and February 28, 2018. They are also asked to complete written reports on their presentations and submit them to their respective Association Youth Awareness Coordinator.

In early May each year, approximately 60 students, who attended Association Youth Awareness Congresses and completed the minimum of three (3) Moose KidsTalks presentations, were selected by their peers to attend the International Youth Awareness Congress. The 2018 International Youth Awareness

A Word from the Governor

Wow, what happened to May. Time sure does fly by when your busy having a great time helping around town. Thank you to everyone that jumped in and helped out throughout the month. Let's keep up the good work. Once again we have been asked to cook for the K101 Classic Bowl banquet on Saturday, June 2nd. We always have room for more help, be it for food prep or serving. I think the word is getting out about all these great cooks we have here at the Moose.

The 15th and 16th brings the 7th annual Smokin' Bar-B-Q competition. Friday evening is the cook's choice public tasting. This year have some meats donated for the Friday night cook. Saturday is the competition. As always there are a number of ways to be involved with this event. If you are interested in lending a hand contact myself or any lodge officer. Back again this year is the Triple Raffle. Just \$5 gets you three opportunities to win. More information on the Bar-B-Q and the Triple Raffle is available in the Social Quarters.

If you missed out on the St. Louis Ribs in May. Here's your chance. Ribs are on sale now at \$20 per rack. We will be taking orders until Thursday the 21st. Ribs will be available for

pickup on Sunday afternoon the 24th, just in time for the 4th of July.

As you can see there is always something happening at the Lodge. This year the Moose membership campaign is "Moose on a Mission". A mission to grow our membership. This year's goal of 63 new members. We have a strong start, keep it up. A mission to grow member involvement. There are so many ways we can help out around the community. Many just require a little investment of time. Let's get out and show everyone who the Moose is. The second part of our mission to retain members. We must strive be the friendliest place in town and provide value in membership. With a little hard work I know we can accomplish this mission. All that we need to fulfill our mission is you.

Until next month, I hope to see you at the lodge.

Moose Legion Update

Welcome to June
Moose Legionaries.

Your lodge is busy helping out our community, and we would like to have your help in aiding our community in so many different ways. One of the best things we as a group can do, is to involve ourselves with our community. This gives the community a chance to see what we do and what we are capable of doing. The more that our community knows

what we do the more likely they will want to get involved and help out too. So, now I'm asking for you "Moose Legionaries" to help put our best foot forward and let your lodge shine bright in our community.
