Fourth of July Family Picnic

It has been several years since we have had a family picnic on the Fourth of July at the Lodge. Since the fourth falls on a Thursday this year and the Moose International Convention is not in session on the fourth it seemed like a good time to see if there is interest.

We will be having hamburgers and hot dogs starting at 4:00 PM and will serve until 7:00 PM.

We are planning several different games for all ages, including some parent/grandparent and child team events.

Dinner seating and some of the games will be indoors to get a break from the heat if needed, or the rain (this year).

We are starting at 4:00 PM so you can enjoy some of the events at Crystal Beach Park, like the turtle races. Then stop by the lodge to enjoy dinner, some games and time to relax before heading to the fireworks shows.

This is a lodge event, so members, members' family and qualified guests are welcome. So if you are spending the day with some friends invite them

Cornhole Tournament Open to the Public

On Saturday July 27, 2019 the Woodward Moose Lodge will be sponsoring a Cornhole Tournament that will be open to the public. This will be an indoor event in the main hall. Registration will open at noon with play to begin at 1:00 PM.

This will be a two player team event. Registration fee for each team is \$30.00. It will be a double elimination tournament, the initial bracket will be set by random draw.

A minimum of \$500.00 in prize money will be awarded. The first three finishing team will share in the prize money.

Since this will be an indoor event the board distance will be shorten some and we do have low ceilings in the room. So we will have boards set up Friday night after 6:00 PM so people may practice. This will be first come first served Friday night and practice time may be limited depending on turn-

out. The lodge will be open during the

event. Additionally, we will be selling bar food during the event.

If you would like additional information you may call the Lodge at 580 256-6969 after 5:00 PM. You may also stop by the lodge for information and

A Word from the Governor

Well I am happy to say our first open to the public event for this year is scheduled. What is more important to me is it was not my idea. I would like to thank members of the lodge and chapter for bringing the idea of this event forward. More importantly their support to make this event happen will ensure its success.

What can I do to help? If this question has crossed your mind, First and easiest, tell your friends and invite them out. Second, come out and participate and have some fun.

If you were wondering why the Lodge did not have a Fathers' Day meal, it is because both Mothers' Day and Fathers' Day events over the last couple of years have not been very well attended. As a result we as officers decided to try to have a Fourth of

July event instead. Our hope is that this event will appeal to more members.

The bottom line is the Lodge must utilize our limited resources, both volunteers and funds, to provide activities for as many members as possible to enjoy. This means we need your participation and attendance at these events and activities in order to continue them. Additionally, we need members to stop by the Social Quarters. Frankly if no one but the help is there we will need to reevaluate our hours of operation.

So, if you have any things you would like us to try see an officer or email lodge452@okmoose.org

Don Parella

Moose Legion Update

Hello Moose Legionnaires

I started thinking about what to say in this article of the Moose Legion and I hope everyone has been reading the previous ones. Because, this month I wanted to talk about all the friends that I have met through and because of the Moose. One of the sentences in the Moose Legion Conferal is "You will form lifelong friendships with Moose Legionnaires throughout the fraternity, creating lasting memories and treasuring them forever." This statement is very accurate, if you are involved with the Moose you will meet members from all walks of life and all across the nation. The friendships you will form can be very useful in times of need, if you need resources, contacts, or someone to talk to when no one else will listen. Your Moose friends are there. Also, you can learn about how their lodge and Moose Legion operates and share ideas. Sometimes, the information that you learn could

be an eye opener on how good you or your lodge has it, and all the things that your friends have to do just to keep their lodge doors open. The saying is that "you are the company that you keep". I don't know of a person that doesn't need more friends especially good ones like Moose Legionnaires. So, come out and enjoy the friends you have at your own lodge. Or start traveling to other lodges and experience other members involvement with their local lodges. Don't let the opportunity slip away without experiencing the friendship you could enjoy, before time prevents you from having those worth while moments.

MOOSE - CREATE OUR FUTURE

May 1, 2019 - April 30, 2020

The future of our Mooseheart children's education and well-being depends on what we do today. The responsibility to continue to provide what we promised to our senior members rests with us now. It's up to US to make sure that there IS a future! To do so, we need to Create Our Future now. The best way to do so is to introduce our friends and family to the Moose. Sponsor a member today so that we can grow the Fraternity for the future. We may never enjoy the shade of the trees that we plant but our legacy will live on in the hearts of those that we support.

Sponsor 1 Member

Moose - Create Our Future pins are presented by your Lodge, Chapter or Moose Legion to individuals that sponsor their first member during the campaign.
